Reality Quiz for Part 1 (M4CO and 1DL451) of the COCP Course

1. Do I have to (buy and) study a textbook? No, and there is none!
2. Are the lecture slides self-sufficient? Only if I attend and take notes!
3. Do I have to attend the guest lecture? Yes, and maybe you are recruited?!
4. Will there be lab sessions with small exercises? Not after the first week!
5. I should attend at least 1 of the 3 help sessions per assignment.
6. The expected average effort per assignment is 21 hours per teammate.
7. The teaching assistants (TAs) show how to solve assignments at solution sessions!
8. I must address 100% of the required tasks of each assignment.
9. I can fail or get 0 of 5 points on none of the 3 assignments.
10. I can get 1..2 of 5 points on Assignments 2 or 3, but they must have a 5..10 sum!
11. Will the TAs help install MiniZinc on my computer? No, we have no time!
12. Do I have to follow the demo-report structure? Yes, as it yields faster grading!
13. Do I have to use \LaTeX for assignment and project reports? No, but it is advised!
14. Is learning \LaTeX within the course time budget (133.3h)? No, but it pays off!
15. Are the teacher and TAs full-time on this course? No, we are on $< 30\%$!
16. Can I flout the rules and deadlines? Are teachers my servants? No!
17. Are the teacher and TAs out to defeat us? No, we want to teach!
